

ELEMENTS OF CLAY

Ms. Amber Carroll

amber.carroll@dpsnc.net

919 560-3926 X 23521

Overview:

This class will embrace the wide world of clay! Students will explore basic hand-building skills for sculptural expression and functional application through the use of the elements and principles of design.

The following items may be hanging around your house not serving any useful purpose. If you are allowed to bring any of these materials to class (throughout the year) you will receive extra credit and grateful appreciation!

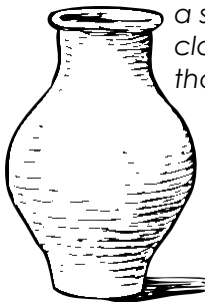

Expectations:

All students are expected to:

- Be on time and ready to work when the bell rings.
- Be respectful to others, the classroom, and shared materials.
- Be on task at all times.
- Try new things and take risks.

Materials:

- #2 pencils (for sketching)
- Old T-shirt (things may get messy)
- \$20 Lab Fee
- Sketchbook (*Students will create a sketchbook during the first week of class, and will be expected to bring that every day.*)
